Capstone Project Guideline Por IP and Sharing of Information University of Nevada, Reno Engineering Capstone Senior Design courses

These Guidelines must be signed and acknowledged **rad**ustry Partners, the instructor of record and the student prior to starting work on the Engineering Capstone Senior Design Project.

Capstone Senior Design Project1Eojby providing resources and guidance to a student team. The follo information sharing and intellectual property considerations:

## Four Types of Capstone Projects

There are four types of Capstone Projects differentiated by which resources, funds, facilities, and equipment are used in the project:

- { Standard UNR-Based Projectes to work on the Capstone Project are provided by UNR, including substantial use of facilities and equipment and/or funding.
- { Other UNR Department-Funded Project.unding or other resources to work on the Capstone Project are provided by a college other than the College of Engineering or department other than those within the College of Engineering facilities and equipment are provided by UNR.
- { Industry-Funded, UNR-Based Projectunding or other resources and guidance to work on the Capstone Project are provided by an Industry Partner, while facilities, equipment, and/or other funds are provided by the UNR.
- { Industry-Funded, Industry-Based Projectes to work on Capstone Project are provided entirely by an Industry Partner and may include funds, use of facilities and equipment, and guidance. No UNR facilities, funds, or resources are Resed.

Proprietary Information under NDAR Industry Partner may share its proprietary information with students and/or faculty to make the Capstone Project a better experience and learning case. Students may be asked to

community. For reference, a sample NDA is available on request by contacting the Office of Enterprise & Innovation (see contact information below).

## Intellectual Property (IP)R

Students typically own IP they create unless the students are: (a) employed by UNR, (b) making substantial use of UNR resources including facilities and equipment, or (c) using UNR-administered funds including contracts, grants, and gifts. In these instances, UNR may own the
